

VELOURS MAIA

TECHNICAL DATA SHEET

December 2022

A heavy-weight cotton velvet with an upright pile that is super flexible. Maia stage velvets are flame-retardant and come in stunning rich colours thanks to the pile length and dense weave of the fabric. A great fit for most theatre and stage settings. Looking for another weight of cotton drape with the same features? Check out the lighter [Velours Hera](#) or the even heavier [Velours Iris](#).
