

GLASSTEX

TECHNICAL DATA SHEET

September 2022

Strong and non-ignitable fibreglass cloth that is available in various decorative colours. Fire-rated according to the EN 13501-1 standard with an A2-s1,d0 result, this slightly shiny safety fabric can add a fun splash of colour to your space as well. GlassTex serves perfectly as a wall panel, ceiling panel or room divider, as smoke and fire curtain or more.
